EDUCATION

M.Sc. Informatics

Technical University Munich

 since Oct 2019

 Munich, Germany

- Focus on Machine Learning

B.Sc. Informatics (1.68)

Bundeswehr University Munich

 Sept 2017 – Sept 2019

 Munich, Germany

- Completed in two years
- Build concept and start development of the app **CoachPTBS**

A-Levels (1.8)

Joseph-Bernhart-Gymnasium

 2009 – 2017

 Türkheim, Germany

- Organize acrobatics shows and perform in them
- Organize and give acrobatics lessons for lower classes
- Part of the school's gymnastics team

PROFESSIONAL

Mathematics Lecturer

BIB Augsburg gGmbH

 since Feb 2020

 Augsburg, Germany

- Teaching linear algebra and analysis to vocational students

Student Assistant at Chair of Operations Research

Bundeswehr University Munich

 Sept 2018 – July 2019

 Munich, Germany

- Time Series Analysis
- Structure learning in Bayesian Networks

Dual Study Program

Allianz Deutschland AG

 Sept 2017 – Sept 2019

 Munich, Germany

- Web-Development and digital infrastructure

INTERESTS

Machine Learning

especially learning on graphs and NLP

Natural Sciences

I love learning about biology, chemistry or physics and how ML can be applied in these areas

ACTIVITIES

IDP Bioinformatics

Prof. Rost's Bioinformatics chair at TUM

 since Sept 2020

 Munich, Germany

- Use machine learning to predict the sub-cellular localization of proteins
- Project on GitHub 

Guided Research Computer Vision

Prof. Nießner's CV & AI chair at TUM

 March – Sept 2020

 Munich, Germany

- Neural Radiance Fields for Novel View and Human Pose Synthesis
- Check out paper  or GitHub 

Gymnastics Referee

German Gymnastics Association DTB

 since Jan 2019

 Augsburg, Germany

Talent base Memmingen: Physics

BSG Memmingen

 2016 – 2017

 Memmingen, Germany

- Building a nitrogen laser

Gymnastics and Acrobatics Trainer

VfL Buchloe

 since Sept 2015

 Buchloe, Germany

- Choreograph and participate in acrobatics shows for national and international events
- Train kids, youth and adult gymnastics groups

SKILLS

Teaching

Motivating

Learning

Python

PyTorch

R

Java

Angular

SQL
